

Brief description of activities carried out during digiVIBES mobility in The Netherlands 16-21 of April 2023

Sunday 16

Arrival of all teams, students went to their host families, teachers went to their hotel.

Monday 17

All gathered in school for the opening ceremony with music, words of welcome, ice breaking activities and information on the week's program. Afterwards, Dutch students hosted a tour through school. After lunch, the first project work was done resuming assignments in earlier mobilities. Teachers had a welcoming dinner in Rotterdam.

Tuesday 18

In the morning, the second project work was done, starting to write songtexts. In the afternoon, all guests took a boat trip through Rotterdam.

Wednesday 19

A day for visiting city centres of historical cities of The Hague and Delft. Teachers had dinner in Delft.

Thursday 20

Last day of project work and rehearsing for performances. After lunch we visited Capelle aan den IJssel town hall and had the closing ceremony handing out certificates. Back in school, there was a workshop lindy hop dancing, followed by a buffet. We ended the mobility with the live performances for parents, teachers and students of the songs written during the project.

Friday 21

All participants travelling back to their countries.

Total number of participants during this mobility: 98

23 visiting students

10 visiting teachers

16 host families (not counting individual parents or siblings)

15 cooperating Dutch teachers/staff

34 participating Dutch students
